FORCE Certification

EVALUATION CERTIFICATE

No. 0200-WL-11189

Object name	**AS-WT-GEL / AS-WT-GKL / AS-WT-GKT / AS-WT-GET**
Object type	**Non-automatic weighing indicator**
Issued by	**Force Certification A/S**

Issued in accordance with the requirements in WELMEC Guide 8.8:2017" Guide on General and Administrative Aspects of the Voluntary System of Modular Evaluation of Measuring instruments".

In accordance with	EN 45501:2015, OIML R76:2006 and WELMEC Guide 8.8:2017.
Issued to	**As-Wägetechnik GmbH** Gutenbergstrasse 25 85748 Garching Germany
Manufacturer	As-Wägetechnik GmbH
In respect of	Weighing indicators tested as a module for a weighing instrument.
Characteristics	Suitable for non-automatic weighing instruments with the following characteristics: Weighing range: Single-interval, multi-range or multi-interval Accuracy class: III or IIII Number of VSIs: $n_i \leq 10000$ Minimum input voltage per VSI: $\geq 0.3\ \mu V$ The essential characteristics are described in the annex.
Description and documentation	The weighing indicator is described and documented in the annex to this certificate.
Remarks	Summary of tests involved: see annex.

This evaluation certificate cannot be quoted in an EU type examination certificate without permission of the holder of this certificate mentioned above.

The annex comprises 19 pages.

Issued on **2021-08-05**
