<p>Applicant's recommendation statement:</p> <ol style="list-style-type: none"> I hereby confirm that the given information on this application form is correct. I am aware that recommendation for examination requires that any absence from the qualifying courses do not exceed 20%. I confirm that I will meet all rules during examination / certification in relation to these. I am aware that the certificate is the property of FORCE Certification A/S. <p>I also confirm that I as certified NDT-operator recognize the precepts for personal integrity and professional competence in agreement with international principles, as per all subsequent points.</p> <ol style="list-style-type: none"> I will perform testing (activities) fair to all operators concerned, be the employer, co-worker, costumer and competitor in conformity with med the noble ideals of honor and integrity, see below pt. 2-8. I must do my work in the most professional way, while at the same time protecting the lives, safety and health of my colleagues and the public. Under no circumstances must I do my work under the influence of drugs, alcohol, sedatives etc. I can only perform the measurements and the analysis that I am competent for through my training, experience and certification. I shall treat my knowledge of business or technical information of employees, clients or clients confidentially and not disclose such information without their express request. I shall refrain from making unlawful statements or performing unethical acts that may discredit the certification program. I must avoid conflicts of interest (impartiality) with employers or clients, and if such conflicts appear during the performance of my work, I shall immediately inform the persons concerned of the circumstances. I must maintain and improve my competence and must only take on tasks for which I am qualified through training or experience. And I have to be fully open to relevant limitations of my qualifications. I am aware that a violation of one or more points in this recommendation statement will result in suspension or withdrawal * of all my certificates issued by FORCE Certification A/S, for a minimum period of 3 months. All serious violations (deliberate misconduct) mean at least 6 months withdrawal. Any decision is FORCE Certification A/S's sovereign decision. <p>* A certificate withdrawal means that the certificate is invalid and that no certified NDT test can be performed, or any form of certification issued. An invalidation can be by either a suspension or a withdrawal. In the event of a suspension, the validity of the certificates may be re-evaluated, and, in the case of a withdrawal, the recertification examination must be passed before the certificate can be reviewed. It will appear from the certificate that it has been suspended / withdrawn during that period.</p>
