11. Declaration

We declare that the information given in this form is accurate and complete and that a Conformity Assessment is requested for the products detailed herein.

We confirm that the same application has not been lodged with any other notified body.

We agree to give the examiners of FORCE Certification A/S and/or their representative every facility and necessary access to carry out their duties and agree to pay the fees and expenses incurred for these services provided by FORCE Certification A/S resulting from this request.

It is understood that in the event of the Conformity Assessment not being completed, FORCE Certification A/S reserves the right to charge pro-rata for its services. If work extends over a prolonged period, FORCE Certification A/S reserves the right to claim payment at quarterly intervals, or at agreed stages.

This request is made upon the following terms:

FORCE Certification A/S will execute the Product Certification in accordance with the procedure set out in the FORCE Certification A/S publication [ABC-PRODUCT-EU Directives - General terms for type examination of products – latest edition](#).

The manufacturer declares that a representative sample of the product(s) referred to herein has/have been found to meet the applicable design criteria for the Directive(s) specified herein. It does not mean or imply approval for any other use, nor approval of any product(s) designed or manufactured otherwise than in strict conformity with the said representative sample. The scope of FORCE Certification A/S's involvement does not/will not include specific checks to establish whether any computer software or hardware is capable of handling date changes without loss of performance or functionality.

Product certification is based on the understanding of compliance with the manufacturer's recommendations and instructions and any relevant requirements of the Directive(s).

FORCE Certification A/S reserves the right to cancel or withdraw Product Certification in accordance with the above-mentioned publication.
